THE 1951 CARDINAL

PUBLISHED BY THE
STUDENTS OF
COLDWATER HIGH SCHOOL

John Paul Dygert: Editor

Norman Hawk: Assistant Editor

Desmond N. Buzzell: Adviser

This has been a year of progress in C. H. S. and one that will be remembered for the fine school spirit shown by all students. Our minds and hands were kept busy with both our studies and the many activities which are so important to a well-rounded high school. As we turn these pages, may the memories portrayed here appear not as a lifeless history, but may they serve as a constant reminder of some of the best days of our lives.

Mr. Thomas taught high school four years, spent six years as Superintendent of Schoolcraft High School, and ten years as Superintendent of Vicksburg High School. In 1944 he became the Senior High Principal of C.H.S., and three years ago he accepted the position of superintendent. He is a member of the Masons, the Junior Chamber of Commerce, the Rotary Club, the Michigan Educational Association, the National Education Association, and the National Educational Fraternity, Phi Delta Kappa. When he manages to find free time, he indulges in his hobbies, reading and gardening.

CLASS OF '51 IN REVIEW

It takes some strenuous memory work to travel back across the pages of time and recall what the class of '51 has done. It's fun, though, to reminisce and to try to remember some of the funny things we did way back then!

In 1946, as "green" seventh graders, we entered Jr. High with a very "lost" feeling. About the first thing we did was to elect our class officers who were: President, Donna Green; Secretary, Dick Gilbert; Treasurer, John Dygert.

In the eighth grade, we began to relax and make ourselves at home. Some of us even became so daring as to venture into "Harry's." The "Mirror" "dirt" columns ran thus: "Jack 'Stinky' Walker has been scouting around for someone to go with since Diane Hammond's party. Likewise Elaine Smith. Dickie Gilbert, that little wolf, seems quite interested in Barb Thebaud, but Jack Walker took her to the Lakeview game."

Our class officers were: President, Carolyn Burton; Vice-President, Dick Gilbert; Secretary, Gail Olmstead; Treasurer, Harold Grigg.

When we commenced our freshman year, we were the "big wheels" of Jr. High. Our officers for this year were: President, Barb Thebaud; Vice-President, Beth Scheidler; Secretary, Margaret Thomas; Treasurer, Dean Harvey. Gail Olmstead was representative of the Student Council. John Dygert was elected president of the Student Council.

During our freshman year, we had a couple of good parties with all the "gangs" turning out.

No sooner had we reached the top of superiority than we were cast into the lowest state of survival, sophomores in high school. However, we soon got into the swing of things. The Seniors welcomed us with the annual Sophomore Reception; and we in return gave the Christmas party with our theme being "Yule Log Drag." Officers for this year were: President, Barbara Engle; Vice-President, Erwin Corless; Secretary, Carolyn Burton; Treasurer, Aulton Treacher; and Commissioners, Gail Olmstead and John Dygert.

1949-50 was our Junior year. We sort of took it easy the first semester; however, we did manage to elect our class officers who were: President, Gail Olmstead; Vice-President, Aulton Treacher; Secretary, Julie Branch; Treasurer, Carolyn Burton. Our commissioners were Jean Schubel and John Dygert, who, by-the-way, is still going with Mary K. Barbara Engle was elected Clerk. Our class thespians came through and on March 28, "Ever Since Eve" was presented.

We used for the theme of our Jr.-Sr. Banquet "Evening in Paris." After much difficulty, we managed to get the gym decorated, although the decorations started falling down about 11:00 o'clock.

History was made by our class with the election of Barbara Engle as the first girl Mayor of CHS.

To wind up our year's activities, we assisted the Seniors in the graduation exercises, at Baccalaureate, and Commercement.

1951 — the most important year of our school days — the year when we reigned above all, or so we thought. We elected John Dygert, Carolyn Burton, Donna Green, and Aulton Treacher to head our class. The class representatives were John Fisher and Jean Schubel.

Our class play, "One Foot In Heaven," was presented November 17th. It was a tremendous success and a lot of fun to put on.

With the coming of Spring, the only thing apparent in the minds of the Seniors was our Washington trip. We left May 19th and returned the 26th.

For the rest of our activities as Seniors, look carefully into the "Cardinal" and take it all in.

VALEDICTORIAN

VIRGINIA RENSHAW

As we, the Class of 1951, go out into the adult world, don't make the mistake of idolizing money. Of course, everyone should have enough to furnish him the necessities of life, but we must realize that everyone can't be a millionaire. Thank heavens!

Walt Disney, through his comic character, Donald Duck, reveals what would happen if everyone had a million dollars.

Donald and his nephews labored on Uncle Scrooge's farm from dawn to dusk. Donald grumbled about working so hard when his uncle had enough money to support them and their great-grandchildren in luxury. A tornado whirled away the currency and scattered it over the country. Everyone could and did gather a million dollars in his back yard. Then they set out to see the world, Donald one of them. In a short while he returned, weary and travel stained. He hadn't enjoyed his trip much for there was no transportation, restaurants, hotels, resorts, or stores in operation. All the workers were touring the world too. Meanwhile Uncle Scrooge and the nephews were busy on the farm, raising an enormous truck garden. This produce was sold at unbelievable profit because of no competition. Soon Scrooge had his fortune back and people resumed their former trades.

This is a rather simple tale but it does illustrate my point. We each have our niche in the skyscraper of life and we should be content with it.

SALUTATORIAN

ELAINE SMITH

Education is the basis of democracy. One of the most essential things of democracy is thinking. Thinking which candidates to vote for in the public elections. Thinking out the problems that confront one day after day. Thinking how our country could be improved. Intelligent thinking is required on the part of every American citizen. Our schools teach one to think. Students are taught something about our government; how it differs from the governments of other nations. They are taught that our government is good, but not perfect. There is still room for improvement. Democracy can exist only as long as we continue to educate as many people as possible. Our people must be informed so that the enemies of democracy cannot "pull the wool over their eyes" with false promises and dreams.

In order to carry out a program of good education, we must have teachers. Good teachers. Teachers that know students, how to handle them, interest them in their work, and give them as much knowledge as they possibly can. It's a known fact that most students are not particularly fond of studying; therefore most of them just don't. I can't say as I blame them, when they are expected to read ten pages of a dull book and then go sit in a boring classroom for fifty minutes. These things can and must be written and discussed in a more interesting way if we are to get as much as possible out of our education.

THE 1951 CARDINAL

- This year much serious thought and preparation have gone into the pages of the Cardinal. The book has been overhauled from cover to cover and many new ideas employed to create as near as possible a lasting, living history.

  Outstanding among the new improvements are the hard cover and stitch binding, which give the book durability and greater surface area. All pictures have been grouped informally to show variety and action. Flash shots picture the activities and functions within the school. The accent has been put on photography rather than writing. The lead to each section follows the theme of hands busily at work. Full page bleeds have been inaugurated this year. Advertisers have been given the opportunity of sponsoring pages in the front of the book.

CARDINAL CHATTER

- "Cardinal Chatter" appears weekly, every Saturday night, in the "Coldwater Daily Reporter." Its purpose is to promote public relations between the schools and the community. School news, activities, and events are presented to the people through the medium of the "Chatter." The first and second semester editors-in-chief were Beth Lou Scheidler and Diane Hammond, respectively.

ROOSEVELT STUDENT COMMISSION

Mayor -- Barbara Engle

- The Student Commission made history this year by having Barbara Engle as its first girl mayor. Also elected were Patti Sager, Clerk; Jean Schubel and John Fisher, Senior Commissioners; Mary Jo Hyland and John McBride, Junior Commissioners; Roger Dennis and Donna Bodie, Sophomore Commissioners.

  This year the Commission organized Home Room discussion groups for the purpose of bringing school problems to the attention of everyone. These groups enable the students to make their own improvements and to express their own viewpoints. For the first time, try-outs for the exchange assembly were held, reserve cheerleaders were elected by the student body, and the Homecoming Queen crowning ceremony was held in the gym. This year's Commission can be complimented on the fine job they have done this year.

JUNIOR HIGH STUDENT COUNCIL

President -- Gerry Griest

- The Junior High School began the year with noteworthy success by electing some outstanding representatives to the Student Council. Again this year, the Council undertook the annual magazine sale and made a record sum of $2,942. Two parties were sponsored by the Student Council during the year which helped purchase a much needed base viol for the band. In the fall, the Council contributed twenty-five dollars to the Community Chest fund. The annual Junior High Picnic was held on the last day of school at Coldwater Lake.

  The Student Council was under the leadership of the president, Gerry Griest. Other members included representatives Delores Smith, Hal Weidner, Jim Lint, John Burton, Connie Parshall, and Tom Olmsted. Mr. Axner Olson was Council adviser.

• The C-Club, Coldwater's varsity club, carried out many projects this year. C-Club boys sold reserve basketball tickets, cleaned up the press box after football games, sponsored the pep rally before the Sturgis game, sold pencils, and entered a team in the city recreation league. Their contribution to the new Cardinal Field consisted of a water system and plumbing in the team room. The club also sponsored a sock dance and co-sponsored another one with the senior class.

CARDINAL SERVICE CLUB

- In the 1950-51 school year the thirty-eight members of the Cardinal Service Club, previously known as the Athletic Police, undertook several new duties. The portable movie projector, the noon hour movie projector, the lighting in the auditorium, and the parking of cars at football games are the new tasks which are taken care of by these ambitious boys. They are also still working at their old jobs: collecting group dues at professional assemblies and athletic contests. Coldwater High School may well be proud of the accomplishments of the appropriately named Cardinal Service Club.

FUTURE FARMERS OF AMERICA

- The F. F. A. was well represented in the State and National Conventions this year. At the State Convention John Fisher participated in the entertainment, and Leon Dick and Bernard Allen attended as delegates. In October the local chapter sent Leland Ward, Wendell Knapp, and Leon Dick to the National Convention at Kansas City. At the annual 4-H Fair, the progressive group presented educational, grain, and animal exhibits. A contest was held to provide the wild life for a game feed held on the 13th of December. The winners of the competition were Raymond Paradine, Merle Denbrock, and Russell Casswell. John Fisher entered 15 chicks in the "Chicken of Tomorrow" contest. The F. F. DEBATE TEAM

- Coldwater High School's inexperienced debate team lost all of its contests this year while debating the question, "Resolved: That the American People Should Reject the Welfare State."

With the exception of Peggy Facklam, all of Coldwater's team was inexperienced. Lois Cooper and Patti Sager upheld the negative side all season while Joyce Hinson, Peggy Facklam, Stewart Gordon, and Carl Semmelroth alternated on the affirmative side.

Excepting Lois Cooper, who is a senior, all of this year's debate squad will be returning next year.

Having lost their debates by very narrow margins, the debate squad has gained much experience and knowledge in the fundamentals of debate. With this as a background, Coach Hugh Tyler feels that next year Coldwater will have a good opportunity of being victorious.

  The first project of the year was "Chocolate for Europe." New members were initiated early in October. Informal initiation was the traditional walk through the gym and locker room. Formal initiation consisted of a candle-light service, a talk by Mrs. Ethel Hawley, and refreshments of ice cream and cake. The service was in the Presbyterian Church.

  The Valentine Formal was sponsored jointly by the Y-Teens and Hi-Y on February 10.

  St. Patrick's Day was heralded by the Y-Teens' Carnival. The ground floor of the school was used with dancing in the gym, an Irish program in the auditorium, and concessions in the classrooms.

DANCING CLASS

- In September, more than 100 girls enrolled in the Dancing Club. This group was divided into two sections; one meeting Wednesday afternoons and the other Tuesday evenings. Dancing is an extra-curricular activity.

  The Dancing Club gave an assembly before the combined Junior and Senior High Schools. It included Mexican folk songs, religious dances, cowboy numbers, and many Mexican favorites.

  Included in the course is a study of development technique, dances of foreign lands, and tap, ball-room, and square dancing.

  The group, instructed by Mrs. Aitchison, selected their own officers and paid all their expenses through dues.

Varsity Football

- The Cardinals, inexperienced as a team, fighting with set determination were thoroughly trounced in their opening game of the season by Three Rivers 20-0. The following week, showing much improvement, Coldwater bounced back to take Adrian 20-7. Under the power of a rugged Marshall Redskin team, they were rocked back on their heels, 40-7, in Coldwater's christening of Cardinal Field. The Cardinals' second showing before home fans was as fatal as their first, East Lansing defeating Coldwater, 19-7, only to be followed by a Hillsdale drubbing, 35-26. Then Lakeview invaded Cardinal Field for the thriller of the year. Neither team gained supremacy, the score stood 7-6, and a Coldwater sleeper play clicked only to be called back on an off-side penalty. Lakeview clinched the game, minutes later, 12-7. Coldwater came back hard against a highly-rated Albion eleven to score a well-earned upset, 7-6. Still hoping for another Twin Valley victory, Coldwater played at Sturgis, where twenty-five CHS seniors dug their cleats into high school grid turf for the last time. After a hard fought game Sturgis came up with a 13-6 victory.

- When the Reserves opened their season, they lacked the experience shown by reserve teams in previous years. The first game was with the Sturgis Trojans, who because of their advantage in speed were victorious, winning by a 12 to 0 score. On the following week they were handed a 12 to 0 defeat by the Albion Wildcats. Again playing the Albion seconds, they were on the short end of a 19 to 6 count in a hard fought battle. For the third straight game with Albion at Albion they were again shaded by a 6 to 0 margin. Lakeview, having all the necessary qualifications for a top-notch team, won the lopsided game 54 to 13. Playing the last game of the season at Sturgis, they were trounced by the junior Trojans 32 to 0.

- The Future Varsity football team, coached by Roy Houston and John Prevost, swept through an undefeated season by subduing six opponents.

  The team, composed mostly of freshmen, sophomores, and a few juniors, practiced every afternoon during eighth hour and after school when possible.

  Many of the boys played good, hard ball, and showed that they had earned the right to try out for Reserve and Varsity positions next fall.

BASKETBALL REVIEW

The 1950-51 Coldwater varsity basketball team ended the season with eight wins against nine losses. To most persons, this record doesn't look very impressive, but to the local fans, it was a good season. Although there were only two returning letter winners from last year's squad, Coach Eby took what material was available, and did a wonderful job. The Cards were young and inexperienced, but at times showed a caliber of championship ball, and always had the traditional Cardinal spirit. The team ended third in the Twin Valley race with five players in the top twenty of the TV scoring derby. Thus, the Redbirds had a well-balanced team, and should be the team to watch in next year's Twin Valley basketball scene.

Nov. 28. The Cards opened the season against the Three Rivers Wildcats, and were defeated 55-50 in a non-conference tilt.

Dec. 2. The defending TV champs won their first conference game over the Adrian Maples 35-27 before a capacity crowd at the Armory.

Dec. 8. The Redbirds traveled to the capitol city only to be defeated by a red-hot East Lansing team 51-47.

Dec. 12. Hillsdale, fired up for their game with the Cards, handed Coldwater their first one point defeat of the season, 46-45.

Dec. 15. After being defeated by East Lansing the previous week, the Cards, mad with revenge, thrashed the Albion Wildcats by a 46-24 margin.

Dec. 19. Sturgis, Coldwater's hottest rivals for the past years, was handed its 10th consecutive defeat by a Cardinal quintet, 66-60.

Jan. 5. The up and coming Lakeview Spartans were defeated by a red-hot and alert Coldwater aggregation 59-41.

Jan. 12. The Marshall Redskins, favored to cop the TV title, were given a rough fight before overtaking the Cards, 73-60 at Marshall.

Jan. 14. The Coldwater Cards were over-

Jan. 26. Albion, coming to Coldwater, played the Cardinals in a race horse game, and for three periods stayed on even terms with the Redbirds. Coldwater finally pulled away and won 62-44.

Feb. 2. After being defeated by East Lansing in their 2nd conference tilt, the Cards, determined to upset the Trojans, defeated them 50-44 in one of the best games of the season.

Feb. 9. The Redbirds traveled to Adrian and were defeated by an "up" Maples squad in a thrilling overtime game.

Feb. 12. Coming from behind in the last 2:14 of the game, the Cards put on a brilliant 14 point rally and whipped the Sturgis Trojans 52-46.

Feb. 16. The Lakeview Spartans, in their second attempt, reached their peak against the Redbirds and shuffled the Cards 47-39.

Feb. 23. The Cards, trying to seek revenge from the TV Champs, led the game for three periods before loosing out to the Marshall Redskins 48-44.

Feb. 28. The Coldwater quintet, fired with the memory of defeat, upset Three Rivers 48-44 to win a place in the district finals.

March 3. The Cards fighting to win a championship were beaten 62-41 by a hot Sturgis team, which showed excellent marksmanship from long range. This broke the record of 10 consecutive defeats by Coldwater teams in previous years.

Varsity Basketball Individuals

DAVE BENNETT: a junior, won his first varsity letter this year. Dave, a good ball hawk, played an alert heads-up defensive game, was an excellent dribbler, and showed plenty of scoring punch, as justified by his high ranking in the T. V. scoring derby.

ERWIN CORLESS: a senior, won his first varsity letter this year. Erv didn't play much, but when he did, he displayed his best. He was a team player and kept the morale high.

DICK GILBERT: a senior, received his first varsity letter this year. Dick was a good ball handler, quick, and deceptive. He didn't see much action but was there when Coach Eby needed him.

HAROLD GRIGG: a senior, winning his first varsity letter this year, played almost every position. Harold saw quite a bit of action and played well while in the game.

DALE JACKSON: a junior, winning his second varsity award, turned in an excellent performance as a defensive player. Although Dale wasn't a top scorer, he was not to be overlooked as an offensive player. He was of great value to the team and was awarded the honor of being co-captain.

BOB LYMAN: a senior, won his second varsity award this year. Bob was an all-around player, and he intercepted many of the enemy passes to break up sure baskets. He was in there all the way, win or lose. He also finished high in the T. V. scoring race and was awarded a second team berth on the all-conference squad.

TOM McCONNELL: a junior, won his first varsity award this year. Tom was a feared scoring threat on the team. He could tip, fake, and drive, and was an effective shooter from out court. "Mack" led the team in scoring and ended up tied for sixth in the Twin Valley.

JOHN SHIERY: a junior, held a berth on the varsity bunk for the first time this year. He didn't see much action but proved to be capable of taking over Whitcomb's position next year. John worked hard all season.

BOB TUCKER: a sophomore, played his first year of varsity. Bob went in many times as a substitute and always played well. "Tuck" consistently showed plenty of spirit and ought to be an asset to next year's team.

BOB WHITCOMB: a senior, probably the most improved player on the squad, won his first varsity letter this year. Standing 6 feet 3½ inches, "Whit" really put out all season and succeeded in playing as Coach Eby had instructed him. Bob was awarded an honorable mention, and was also co-captain.

OUTSIDE: Dillon, McLaughlin, Connell, Baldwin, Corless, Smith, Stansell, Kulow, Swain, Zabonick
INSIDE: Coach Livermore, Ballard, Miller, Rigg.

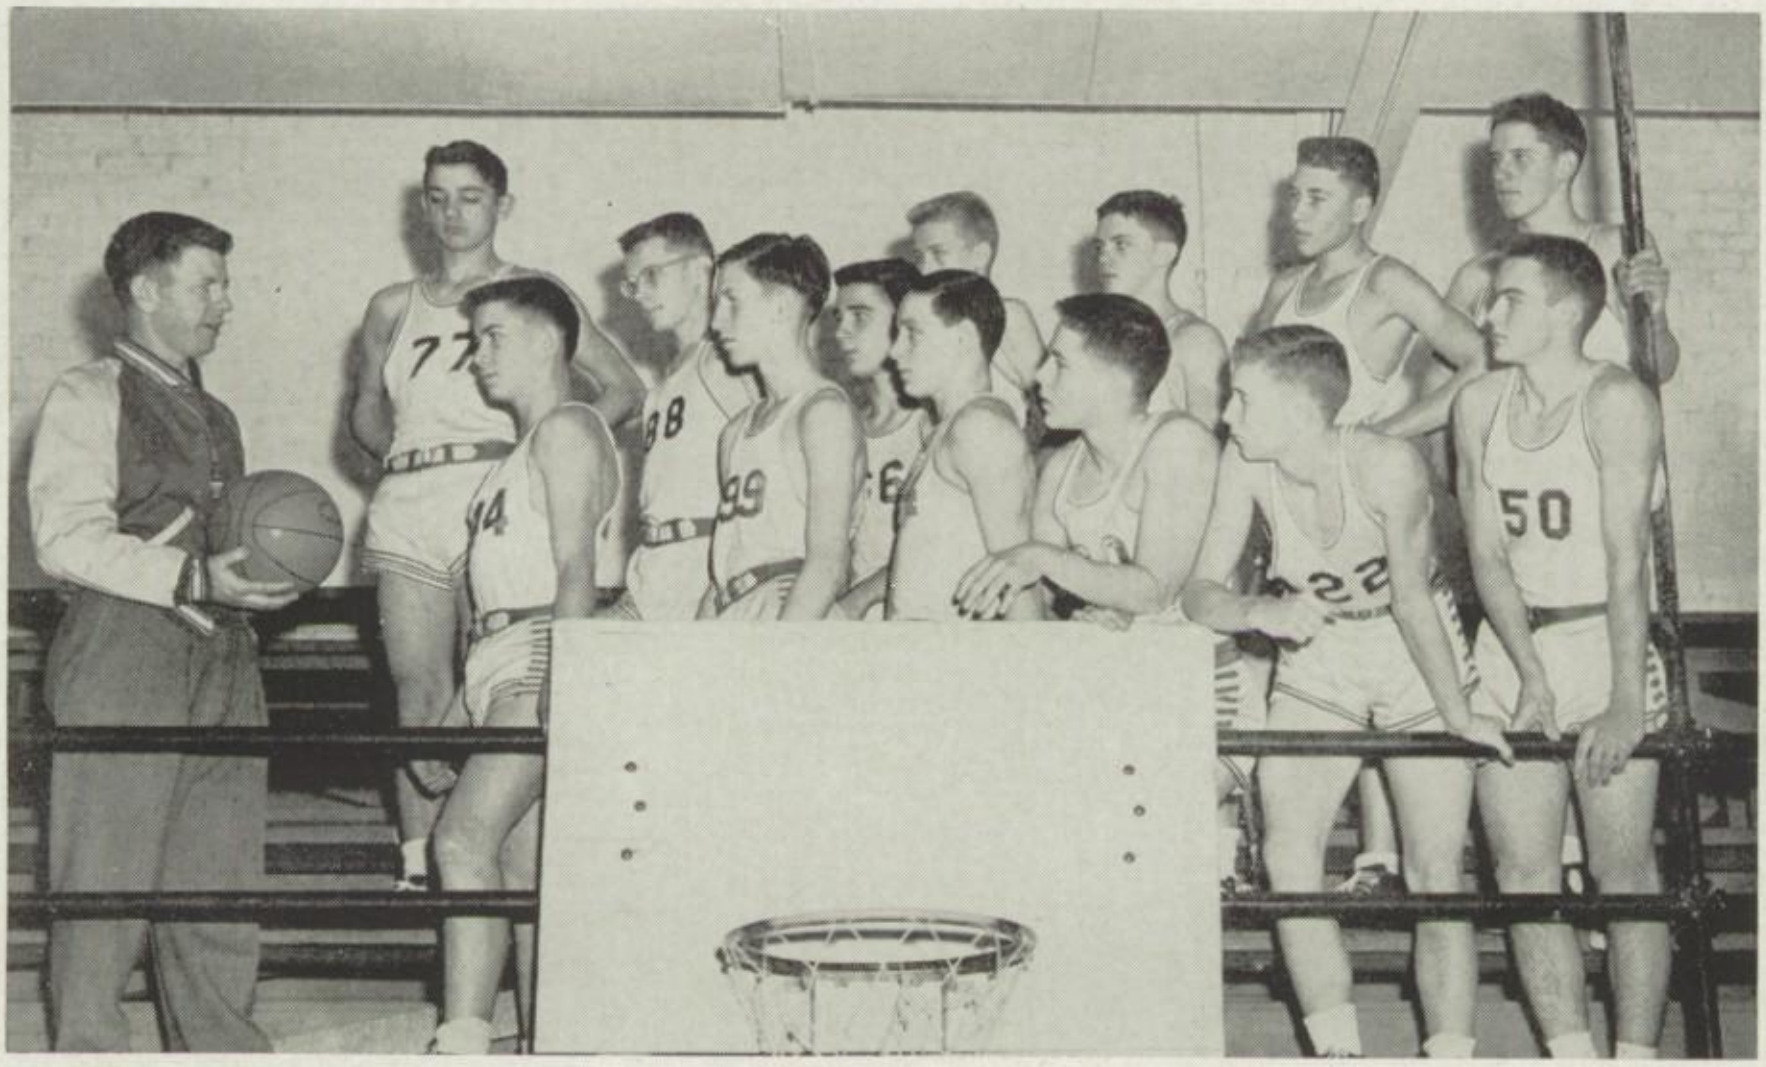
- This year's reserve team, coached by Bob Livermore, had a tough schedule which resulted in their finishing the season with two wins and thirteen losses. The Junior Cards showed much spirit and ability in their games and lost several heart breakers by slim margins.

  The squad was composed of seven Sophomores and six Juniors, most of whom were playing their first year of reserve ball. With the return of over half these players, next year's squad can look forward to a prosperous season.



BACK ROW: Schubel, Cochrane, Wilkins, Cranson, Zabonick.
FRONT ROW: Coach Prevost, Silvers, Brown, Zabonick, Gifford, Dirschell, Helmer, Northrup, Brodt.

FUTURE VARSITY BASKETBALL

- The Future Varsity basketball team was coached again this year by John Prevost. The team put in many hours of practice, and when they came to the games, they played hard and showed determination to win.

  The big fact about their games is that eight out of the twelve played were against varsity and reserve competition from smaller schools. Against these teams, the club piled up a creditable 6 won 6 lost record. Their two biggest games in the minds of the young Cardinals were the thrillers they took from the Tekonsha and Bronson quintets.

  Glenn Brodt was voted by the squad members as honorary captain of the team, and will represent the team at the all sports banquet.

VARSITY BASEBALL

• The Cardinal baseball nine, coached by Bob Livermore, will be an inexperienced team this year facing the loss of eight first string players due to graduation. However, CHS can expect a successful season if the boys show the true Cardinal spirit shown in preceding years.

- This year the prospects of a championship team are dimmed by the loss of several players from last year's squad. Graduation left two positions open, but several good prospects have been eyed for the vacant varsity berths. Two returning letter men are John Dygert and Jack Walker who have three years of varsity experience behind them.

  This year for the first time the boys hope to get a professional to help them. If one can be secured it will help greatly in reducing the scores of the boys. Practice this year will be held as usual at the Coldwater Country Club. It is through the generous co-operation of this club that Coldwater is able to participate in Twin Valley golf competition.

BACK ROW: McConnell, Rennell, Gordon, W. Stevenson.
FIRST ROW: Thompson, Langworthy, Fonda, Zabonick, Quimby, L. Stevenson, Bressler.
KNEELING: Reamer, Hurley.

- The 1951 Tennis team will have a new coach this year in John Prevost, who is taking over the duties of Fred Weeks, Sr. The nucleus of the team will be formed around five returning lettermen from the 1950 squad. They are Tom McConnell, Wade Bressler, Victor Fonda, Bob Tompson and Lorenzo Stephenson. If these five boys perform well and the rest of the squad come around, the Cardinals should have a good year.
